Connected him to JD and talked about topic one from the men's edition of the pursuit. I will eventually hand him off to JD to complete The Pursuit.

We talked about fathering with truth in love. Joel came over and I made the introduction. Afterwards Joel and I talked about our strategy that we would start in on The Pursuit next week.

July 28 - Joel - E1

We talked about the second topic in the EQ series. He had gone over it with his wife earlier in the day and had a really good conversation about it. Next week we will cover topic three with our wives.

July 19 - Tyson - E1

He called me for advice and we talked about parenting and faith. I explained mentoring and asked if I could connect him to a mentor.

July 13 - Tim - E1

He reached out for help with disciplining a coworker. I asked if he would be interested in meeting with me to learn the method. We will connect in a couple weeks.

July 8 - Joel - E1

Just started meeting with Joel so we didn't cover a topic this first time. I asked about his faith journey and we talked about some of the topics he would be interested in. Starting EQ series in a couple of weeks.
